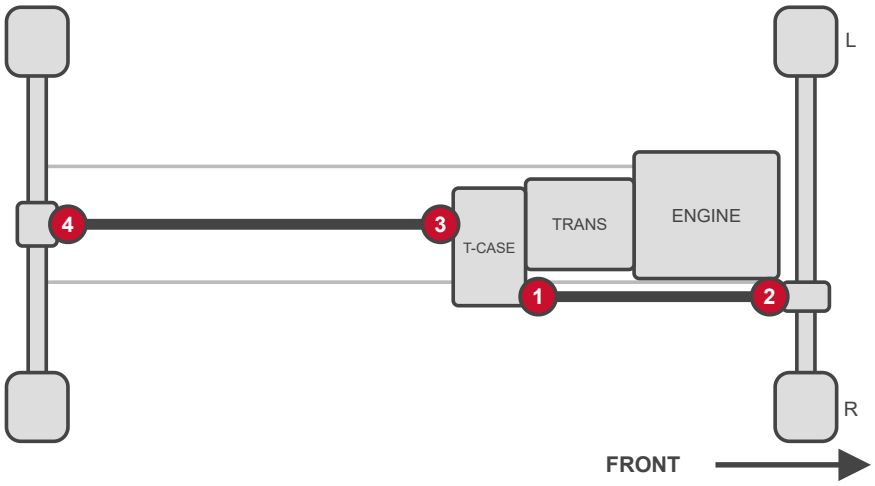
# Which U-joint goes where

U Joint Package - Toyota 4Runner 4WD 12-26

Kit moog-ujoint-packagedeal1258

- The part number is printed on each U-joint box. Match it to the location number on the diagram.
- Use the column for the style you ordered. Your packing slip lists it.
- The diagrams are seen from above, with the front of the vehicle on the right.

**4WD, front and rear shaft (2 joints each)**



1. Front Driveshaft at Transfer Case
2. Front Driveshaft at Front Axle
3. Rear Driveshaft at Transfer Case
4. Rear Driveshaft at Rear Axle
