

## 08+ MITSUBISHI EVO X

**ANTI-SWAY BAR KIT** - Activate More Grip by upgrading your suspension with WHITELINE's Anti-Sway Bar Kit for the Mitsubishi Evolution X (2008-on). This kit features 3-point adjustable front and rear bars for quick on-track adjustments tuned for perfectly balanced neutral steering and can be adjusted for your specific handling needs. Kit includes WHITELINE's premium on-car adjustable drop-links to eliminate preload during installation and to help adjust for clearances on lowered vehicles. Great for fine tuning and corner balancing. Also includes WHITELINE's high performance Synthetic Elastomer bushings, featuring a **LIMITED LIFETIME WARRANTY**. Over 20% savings when purchased as a complete kit.
